Wilmington Amtrak Station Handicap Temporary Ramp Notice - Starting on Friday, June 26th, the handicap ramp at the Wilmington Amtrak Station is on MLK Boulevard (Front Street) to the east of the station building and enters the building from the loading dock at the Walnut St. Alley. The ramp has been constructed in accordance with ADA requirements for width, slope, landings, and handrails. It will be in use for approximately one week during erection of scaffolding at the Water Street side of the building. Appropriate signage is to be erected to guide users to the temporary ramp.

New RT. 43 Service - DART has replaced the Rt. 304, Middletown Shuttle, with the new, greatly expanded, Rt. 43. The new service connects both Middletown and Odessa with the Rt. 299 Park & Ride at Rt. 1. Route 43 service was designed with input from our partners at the Town of Middletown, DeIDOT and area developers. Offering 25 weekday round-trips from 6 a.m. to 6:30 p.m., the new Rt. 43 shuttle enhances the levels of transit service previously available throughout the Middletown – Odessa area, while maintaining convenient connections with DART's Intercounty Rt.301 and the Odessa – Wilmington Rt.45.
